Art Supplies:

Students in grades 7-8 purchase some additional art supplies at the beginning of the year so they can use them at home and also do lab work in their free time. Mrs. Henrickson will have the list and costs available at orientation in August. This is typically a one-time purchase, meaning if they buy them at the beginning of 7th grade, they should not need to purchase them again at the beginning of 8th grade. Students that are new to our classroom should plan to buy a FULL SET (about \$17). Returning 8th graders should have their supplies from last year (chalk pastels, oil crayons, drawing pencils and charcoal pencils) and should bring them the first day of school. Eight graders may purchase individual replacement items if needed.

Instructions:

Please put your name on all items in permanent marker before the first day of school.
Please do not bring pencil sharpeners or desk decorations.
