

Calvary Lutheran School
Church Member Grant Application
V. 1-6-25

In Deuteronomy 6:6-7, God gives parents the primary responsibility for the Christian training of their children. This responsibility includes meeting the financial expenses involved in the education of their children. Therefore, school families support our school ministry through the payment of tuition and fees. Current tuition and fee rates for grades K-8 are available on our school website (calvarydallas.org/school).

Although we believe that every family has a responsibility to contribute to the financial support of their child’s education, we understand that families do not all have the same financial resources. We also believe that the family of believers is called to care for families as stated in Galatians 6:2. Therefore, at Calvary Lutheran School, we strive to make a Christian education financially accessible to all families. We ask all families to faithfully evaluate their budget and spending to prioritize a Christian education for their children, and we offer a financial aid process for families based on financial need.

Calvary’s School Board will review the status of a family’s TEFA Application, FACTS Financial Aid Application, ACE Scholarship Application, and, if applicable, a Church Member Grant Application when finalizing financial aid offers. Calvary’s School Board will then make financial aid decisions and these financial aid decisions will be shared with applying families. Families will be given a deadline date for providing acceptance of their financial aid offer.
