Successful Workday: Thank you to everyone who gave their time, energy, and helping hands to lay sod at Calvary this past Saturday. Through your hard work, generosity, and willingness to serve, you have helped make our church grounds more beautiful and welcoming for all who enter. This project was about so much more than laying grass. It was about serving God, caring for His house, and working together as a church family. Every roll of sod laid was a reminder that when we come together in faith and service, we can accomplish wonderful things.

Men's Retreat: Men are invited to scenic Camp Shiloh to encounter adventure and connections with fellow Lutheran men on January 15th-17th. Registration ends November 30th!
